☐ Residential Component

If checked, this box acknowledges that the NPS has submitted documentation related to a residential component, and should not be construed as an evaluation, accreditation, approval, recognition, or endorsement.

Certification is not an endorsement of the services offered by the nonpublic school (NPS), but states only that the NPS meets minimum legal standards. "Approved" or "Conditional" certifications authorize the NPS to accept students placed by local educational agencies (LEAs) under California Education Code, Section 56366.
